T09 REV A900

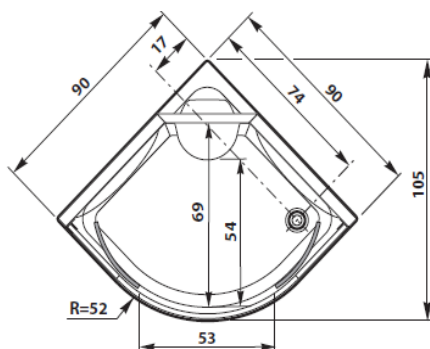

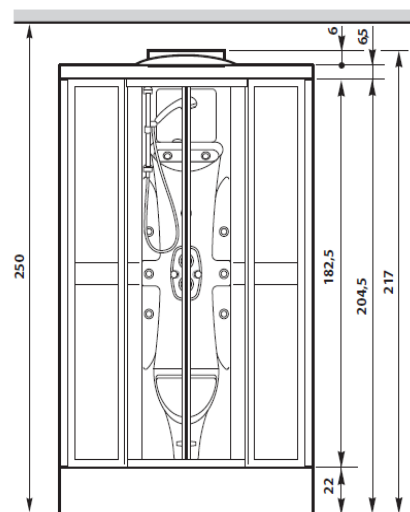

Doccetta a 3 funzioni su asta saliscendi, mensola,
getti nebulizzanti
3-function hand shower on riser rail, shelf, nebulizing
jets

Massaggio verticale, rubinetteria meccanica, tastiera
Bagno Turco on-off

Vertical massage, mechanical tapware, on-off Turkish
Bath control panel, steam outlet for Turkish Bath

Italiano

(*) = Altezza minima rivestimento piastrelle e priva di sporgenze.
■ = Aree disponibili per gli allacciamenti.

Le misure sono espresse in cm;
Le dimensioni reali di ingombro possono variare di ± 5 mm.

Legenda

- (A) Attacco acqua calda 1/2".
- (B) Attacco acqua fredda 1/2".
- (D) Uscita cavo alimentazione mt. 2 tipi H05-3x2,5 mm2. Tensione 220-240V CA (max).
- (E) Uscita cavo equipotenziale.
- (F) Area per scarico a parete $\varnothing 40/50$.
- (G) Area per scarico a pavimento $\varnothing 40/50$.
- (H) Aree alternative per gli attacchi acqua.
- (I) Area cavi alimentazione.
- (L) Aree fissaggio colonna.

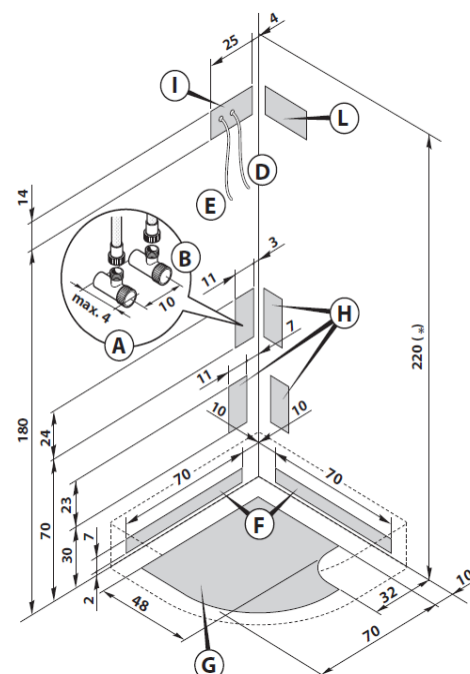

English

(*) = Minimum height of tiled wall (flat and without protuberances).
■ = Area for positioning of the outlets.

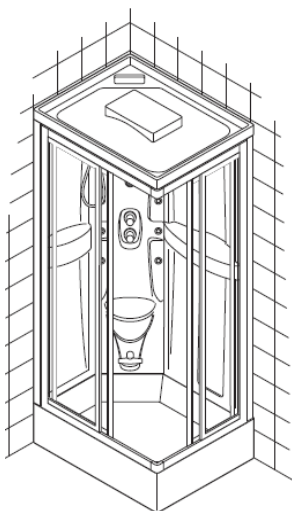

All measurements shown are in centimetres; the effective size dimensions may vary by ± 5 mm.

Legend

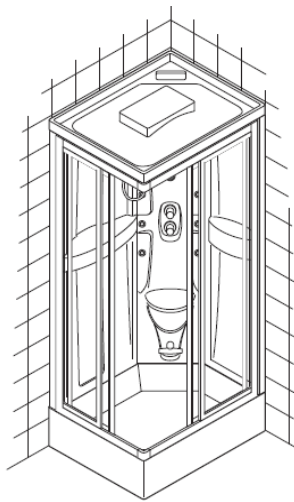

- (A) 1/2" hot water coupling.
- (B) 1/2" cold water coupling.
- (D) Outlet for 2m power cable (type H05 3x25mm2). Voltage 220-240V AC (max).
- (E) Outlet for equipotential cable.
- (F) Area for wall drain outlet. $\varnothing 40/50$
- (G) Area for floor drain outlet ($\varnothing 40/50$)
- (H) Alternative areas for water outlets.
- (I) Area for power cables.
- (L) Column fixing area.
